SUMMARY

Using experience gained as Bristol City Council Markets Marketing and Events Manager, Mike Cardwell founded Fayre do's in 2002. It has grown to become one of Bristol's leading independent event management companies, organising and managing a wide variety of markets and events, including Festival of Nature annually since 2004 (the UK's largest free festival of its kind), as well as the German Christmas Market 2008 - 2012 and Bristol Local Market from 2011-2015, both located in Broadmead, Bristol Shopping Quarter.

Since launch, Mike has built the Fayredos team to include expert partners in every field needed to plan and run a successful event.

We love working on Bristol festivals, markets and street parties, see below.

TESTIMONIALS

Mike Cardwell has been an integral member of the Festival of Nature delivery team since 2005. Over the last 12 years he has consistently expanded and developed the market - growing the exhibitor base each year, flawlessly executing logistics during the event, and bringing new ideas each year to the table. Mike is flexible, demonstrates impressive attention to detail, and communicates easily with the core team while working independently. We all know that events can be busy and stressful times - Mike brings a can-do, solutions focused, positive attitude to the day. We recommend him highly!

Savita Custead, Festival Director Festival of Nature

Mike Cardwell provided an invaluable service to the festival in recent years devising and operating a car parking and traffic management strategy for the festival as well as contributing to the overall health and safety aspects of running a major public event. He assembled and supervised an excellent team of stewards who really stepped up to the mark on the day. Mike and I have worked together over many years and I greatly value his knowledge and experience regarding all aspects of event management.

Avril Baker, Bristol International Kite Festival

We would like to thank you for your work as the Bristol German Christmas Market Operations Manager 2008-2012 in helping ensure that the event was a great success, I was particularly pleased that significant progress had been made on the market. Noted that the setting was difficult; a busy city centre shopping environment, working with many different groups, all with different needs, dealing with market operators whose first language is German and the seasonal bad weather has presented real challenges. These were overcome by your professional, friendly and open attitude, hard work, reliability, problems were dealt with promptly and you managed to communicate successfully with the wide variety of partners, retail outlets and traders. You have also used this experience to deliver a successful Bristol Local Christmas market from 2012 -2015, also located in Broadmead, part of Bristol Shopping Quarter“
